

FISHING SEASON 2024

BAZARUTO ISLAND

Welcome to Mozambique's Bazaruto Archipelago, one of World's best Giant Black Marlin fishing destinations. With over two decades' experience in the area, we invite you to step aboard one of our 31ft fully rigged sport fisher, for a fishing experience of a lifetime. **Vamizi** has been Mozambique's top billfish boat for two decades and Grander (1000 pound +) Black Marlin have been caught / released aboard her than any other vessel in Africa. Blue and Striped Marlin can also be caught out wide and the by-catch of other species such as sailfish, wahoo, Yellowfin tuna, dorado, cuda, Giant Kingfish and other's makes this an extremely versatile and exciting destination.

We cater for experienced and novice anglers alike and for those interested in making the most of the Archipelago's diversity we happy to combine & package for other forms of fishing such as plugging for GT's, vertical jigging, drop shot, fly fishing, light tackle spinning & conventional light tackle trolling.
